The Director
Irish School of Evangelization
9A Wyattville Park,
Dun Laoghaire,
Co Dublin

Dear Mr. Joseph O'Callaghan,

On behalf of all the priests of Khandwa diocese, I extend my sincere thanks to you and to Teresa Kehoe for guiding our priests' annual retreat from October 23 to 28, 2011 at Divyodaya Pastoral Centre in Khandwa, India.

You were very systematic in your presentation with the relevant topics for our reflection. Your talks on God's love, Reconciliation, Holy Eucharist, Mission and Evangelization, New Pentecost, Prophets, and Beatitudes... were very inspiring and enriching. We appreciate the spiritual exercises and animation programmes that accompanied your presentations. It has been a dynamic and interactive retreat that made all the priests to actively participate in their small groups to strengthen one's relationship with God and with one another.

Once again I thank you and all the members and benefactors of Irish School of Evangelization for their generous support to Evangelization.

Yours in the Divine Word,

Most. Rev. A.A.S. Durairaj SVD
Bishop of Khandwa.
