

Clonroche National School 1930's

The photograph, of Clonroche National School , taken in the 1930's, was sent to me by Deirdre O'Driscoll and includes her Grand-mother. I can see Mrs M.A Power, the teacher back row left. The 'photo was then between 71 & 81 years ago so its going to be difficult to identify all the children. If you can identify any children please contact this website, or perhaps you will bring it to the attention of anyone attending Clonroche NS in the 1930's
