Tuesday 7th October Ballad Groups & Singers.

Production Team: Marie Foley, Michael Byrne, Joan Hogan

Shows scheduled for 8th & 9th January 2011

Proposed Variety Show for Clonroche Community Centre

Objective:

To develop interest in the stage. To further develop a sense of community. To showcase the undoubted talent in the area. To open the opportunity to perform to all who are interested. To unearth reticent community members with hidden talent. To create a pool of talent for future productions.

The Framework.

Stage one or more shows as interest is perceived. Diminish competition at this stage. Minimise commitment on time and expertise at this point in time. Keep it simple. Attract as many people as possible to participate.

The Execution

Nominate a person or persons in every townland to organise a number three or four minute “slots” in all stage disciplines. A Sketch or two, Music, Poetry, Song, Recitation, etc. A special effort should be made to get everyone, young and old, to take part.

The Shows:

Each Nominated person(s) will report to the Show’s Producer(s) on the acts available from each townland and those acts will be moulded into a Show(s) by the Producer(s). It is envisaged the townlands will combine on each show rather than have the show made up of one or two town’s lands.

The shows will be constructed to a certain formula and a number of Chorus Groups will be available to all shows, as will dancers etc. There will be a requirement for an Orchestra, Chirographer, Stage Managers, and Front of House Personnel for all shows. There is plenty of scope to involve everyone

Children:

It’s the objective to involve everyone, but there may be many children wishing to take part and this can only be good. Numbers may present an opportunity for a children’s scene in each show and hence an opportunity for a person(s) to produce such a scene for the different shows

Proceeds;

The Sponsors of the Idea is Clonroche Development Association. Part of the Articles of Association is to promote social and cultural interest in the area. As a Limited Company, Clonroche Development Association produce audited accounts each year, which are remitted to the State Company’s Office. The proceeds from the Variety Shows will be utilised to improve the Stage facilities in Clonroche Community Centre. This will improve amenities for future stage productions. Through its involvement with statutory bodies it is hoped to leverage available funds and so bring very tangible improvements to the present facilities.

Grateful acknowledgement should be expressed to the hard working people of Clonroche Community Centre Committee and the many people in former years who left the legacy of this marvellous facility that serves the community so well.

Timeframe:

The shows should be staged no later than mid November

Initial Invitees

Bridget Crean

Martin Murphy

Joe O'Neill

Barbra Kehoe

Bernie Ryan

Francis McCabe

Marie Foley

Jean Spratt

Jim Redmond

Tom Furlong
